1. KGA will develop and provide data to its GSA members (and others).
2. GSA members will use data to prepare GSP.
3. GSP’s will become a “chapter” in the KGA GSP.
4. GSA members will determine what GSA responsibilities they want the KGA to provide.
5. KGA and/or GSA member will implement GSP.
6. KGA will collect GSP data from all “chapters” for annual and milestone reports to DWR.
Kern Groundwater Authority GSP
1 Plan many “chapters”
Coordination Agreement for Multiple GSP’s

Kern Groundwater Authority GSP

- Arvin-Edison
- County of Kern
- Cawelo W.D.
- City of Shafter
- North Kern W.S.D
- Olcese W.D
- Kern-Tulare W.D
- KCWA- Pioneer Project
- Shafter-Wasco ID
- Kern Water Bank
- Wheeler Ridge W.S.D
- Rosedale-Rio Bravo W.S.D
- Olcese Water District
- Semitropic W.S.D
- S. San Joaquin M.U.D
- West Side Water Authority
- West Kern W.D.

Buena Vista GSP

GSA & GSP Next Steps

**Requirement**

- Governance & Coordination
  - “Who is managing & participating”

- Basin Setting
  - “What are the current conditions”

- SGM Planning
  - “How will GW be managed & measured”

- Evaluation
  - "Reporting, Evaluation, & Adaptive Management”

**Issue**

- **GSA Governance**
  - Intra & Inter Basin GSP Coordination
  - Land Use & County

- **State of the Basin**

- **Sustainability Goal (Sustainable Yield, SGM)**
  - Measurable Objectives & Undesirable Results
  - Water Budgets
  - Data Collection & Monitoring Plan

- **Implementation & Reporting**

**HOW?**

- Draft Special Activity Agreement
- Coordination Agreement
- Stakeholder Involvement
- Host Meetings with Land Use Planners
- Develop, in coordination with other GSA’s Pre-SGMA Conditions and Undesirable Results
- STAKEHOLDER INVOLVEMENT
- Coordination Agreement & Stakeholder Workshops
- Coordination Agreement & Stakeholder Workshops
- Coordination Agreement
